e-STUDIO18

The all-in-one answer for small offices

Toshiba introduces the e-STUDIO18 — A supremely simple, compact and lightweight MFP combining printing, copying and scanning functions with solid 18ppm speed. The convenient features keep everything close at hand, while saving space, lowering costs and reducing maintenance effort. Beautifully streamlined, the e-STUDIO18 is the smart choice for everyday productivity in small offices.

Simplified operation

The backlit LCD on the control panel ensures that information can be seen clearly even in dimly lit environments. A wide inner tray design makes documents easy to access and contributes to compact dimensions.

Flexible productivity

Need several sets of copies? Let advanced sorting functions handle it for you automatically. You can also save paper and toner by utilizing 2in1 and 4in1 copy functions. A convenient ID card copy function even copies both sides of an ID card onto one side of paper.

Small size, big difference

Make the most out of limited space with the convenient multifunctionality and compact dimensions of the e-STUDIO18. Toshiba's dedication to trim excess inches has resulted in a compact machine with impressive performance.
